

Fogo de Chão

Brazilian Steakhouse

HOW DOES IT WORK?

**CHOOSE AN OPTION:
LUNCH RODIZIO GRILL
OR UNLIMITED BUFFET**

After choosing, make way to the buffet for unlimited freshly prepared gourmet salads and hot dishes. The buffet can be visited as many times as you like!

Grilled meats are served table-side, on skewers, and continuously throughout the meal.

You will be given a Red and Green card to control the flow: keep it green for service, turn to red for a break or when you no longer want any meat.

Once you are back from the buffet, turn your card to green and get ready for an authentic Brazilian Rodizio dining experience!
